ON VIDEO

- Hello
- Memorials
- Lily's story
- Reflection on the cost of peace
- Minute of silence

YOU LEAD

- Optional Activity

ACTIVITIES

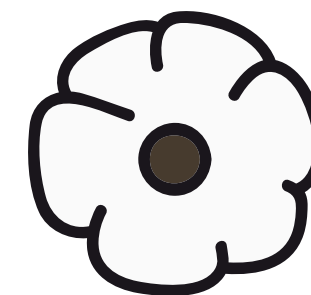

Minute of Silence

Children ARE capable of silence for 1 minute!

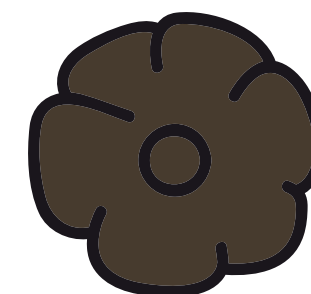

We suggest you advise children to expect the silence. Opening windows to listen to the outside can help their concentration in silence.

Poppies

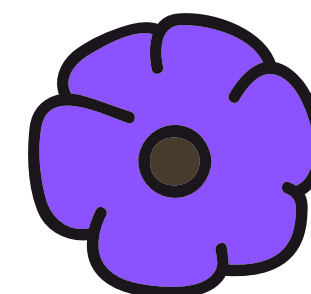

In addition to red, there are many different designs and colours of poppies worn:

White for Peace

Black for People of Colour

Purple for Animals.

Ask the students to consider who they would like to remember, and what colour they might use to represent them
