

# High Hopes

## Finance Fact!

Each club will cost £35 to run and we are running 3 per week for the whole school year!  
If someone gave us £20 EVERY week, we would cover a club for the year.

## Fun Club has arrived!

We are breaking new ground in outreach this term as we launch THREE brand new afterschool clubs for Infants at Cage Green, Long Mead and Royal Rise. This significant step forward has been months in the planning - allowing us to work with local churches and schools in key estates. Please pray for the longevity and success of these groups - and watch this space for junior clubs launching in September! All credit to High Hopes veteran Clare Wesley for pioneering this club model.

"I really enjoy High Hopes because it is a great way to learn about Christianity and really fun."  
Clara

"Whenever we hear you're coming in we go crazy. Everyone in my class likes High Hopes."

Matt

We love to hear from you!

Introducing...

# Pip Maynard

**What is your focus at the moment?**

**What does this mean for the children we see?**

I have just finished writing the assembly this term with the theme 'Judgement'. We hope to encourage children to look at what people are like on the inside instead of judging them by their looks. I am also working on the Year 6 workshops for those moving to secondary school in September. These have the title 'Taking Off' and transforms the classroom into an airport to explore Psalm 139 as they leave for their new destination....

**What are you most excited about doing with High Hopes?**

I'm most excited about being able to encourage the Year 6s to be confident and happy about moving on. I love to see children embracing changes and finding their own way to deal with situations which hopefully will be inspired by our workshops.

**What is your favourite dessert?**

Lemon Cheesecake, or anything lemon flavour really!

We are also very excited to be able to announce a recent addition to the High Hopes Team. Welcome Debbie, our new admin!  
Email her at: [admin@childrensworkshop.org.uk](mailto:admin@childrensworkshop.org.uk)
